File No.: A.1/3.13

## **Marking of product**

The product or packing is to be marked with name of manufacturer, type designation, the Mark of Conformity and USCG approval (see below).

## Mark of conformity

The manufacturer is allowed to affix the Mark of Conformity according to Article 11 in the Council Directive 96/98/EC on Marine Equipment and issue a Declaration of Conformity, only when the module D or E or F of Annex B in the same directive is fully complied with.

Module D: The quality system for production and testing shall be approved by the Notified

Body.

Module E: The quality system for inspection and testing shall be approved by the Notified

Body.

Module F: Compliance of the products to type as described in this EC Type-Examination

Certificate must be verified by the Notified Body who also shall issue a

Certificate of Conformity.

### **USCG Approval**

An U.S. Coast Guard approval number will be assigned to the equipment when the production module has been completed and will appear on the production module certificate (module D, E or F), as allowed by the "Agreement between the United States of America and the EEA EFTA states on the mutual recognition of certificates of conformity for marine" signed 17 October 2005.

**END OF CERTIFICATE**
