Absence of chemicals listed in Eurobatex

We declare that the Eurobatex product meets the requirements of BREEAM NOR 6.0 with the absence of chemicals listed according to the following lists:

- REACH List of Substances of Very High Concern (Article 59(10)).
- REACH Appendix XIV (List of Authorizations)
- REACH Appendix XVII (restricted substances).
- Norwegian priority list for chemicals - Norwegian Environment Agency.

We confirm that the product Eurobatex, manufactured by Union Foam, does not contain any toxic chemicals as defined in the above list and meets criterion 1 of MAT number 02 Environmental Impacts of Construction Products - Product Requirements for BREEAM NOR 6.0.

Legally responsible: Dr. Vittoria Orienti
